Provide a statement addressing the housing needs of low-income, very low-income, and extremely low-income families and a brief description of the PHA's strategy for addressing the housing needs of families who reside in the jurisdiction served by the PHA. The statement must identify the housing needs of (i) families with incomes below 30 percent of area median income (extremely low-income), (ii) elderly families and families with disabilities, and (iii) households of various races and ethnic groups residing in the jurisdiction or on the waiting list based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. Provide a description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year.

The County of Santa Barbara is a desirable location to live and is a draw for a diversity of people. The cost of living, rental costs, and homeownership are among the highest in California. As a result, the need for affordable housing in this PHA's jurisdiction, Santa Barbara County, is reflected by the number of applicants on the waiting lists for the Housing Choice Voucher (HCV) and Public Housing. The combined number of applicants seeking affordable housing assistance from the Housing Authority totaled 9,113 (refer to housing needs table below). Housing Authority waiting list data also confirms the need to assist a variety of households with differing demographics, including those with special needs, as well as low-income seniors on fixed incomes.

The chart below ranks housing needs by category on a scale from 1-5, with 1 being “low need” and 5 being “extremely high need”.

Housing Needs in Jurisdiction by Category							
Household Category	Applicant Breakdown	Affordability	Supply	Quality	Accessibility	Size	Location

B.4 VIOLENCE AGAINST WOMEN ACT (VAWA) GOALS

Provide a statement of the PHA's goals, activities, objectives, policies, or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking. (24 CFR §903.6(a)(3)).

Safety and Crime Prevention (VAWA). A description of: 1) Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking; 2) Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing; and 3) Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance the victim safety in assisted families (24 CFR §903.7(m)(5)).

The PHA partners with local law enforcement to determine the needs of the residents and community, working towards a mutual goal of ensuring and improving the safety of residents. The PHA has undertaken partnerships with local organizations to enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.

Measures taken by the PHA include:

- A Memorandum of Understanding (MOU) with the City of Santa Maria Police Department to provide security surveillance monitoring services
- Partnership with law enforcement to analyze crime statistics over time for crimes committed "in and around" public housing
- Installation of state-of-the-art digital surveillance systems (cameras) – connected with City of Lompoc Police Department
- Partnership with Domestic Violence Solutions to reach out to PHA residents and increase awareness within the community at resident meetings

CA021 - Housing Authority of the County of Santa Barbara (HASBARCO)
2023 PHA PLAN

The PHA has developed policies and procedures to implement the requirements of VAWA. The victim or threatened victim of an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence. The PHA may terminate the assistance/tenancy to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. The PHA may honor court orders regarding the rights of access or control of the property and orders issued to protect the victim and to address the distribution or possession of property among household members where the family “breaks up.” There is no limitation on the ability of the PHA to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence, or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims. There is no prohibition on the PHA terminating assistance if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) assistance is not terminated”. Any protections provided by law which give greater protection to the victim are not superseded by these provisions. The PHA may require certification by the victim of victim status on such forms as the PHA and/or HUD shall prescribe or approve.

- The PHA supports the goals of the VAWA Amendments and will comply with its requirements, continue to administer its housing programs in ways that support and protect residents (including Section 8 Housing Choice Voucher program participants) and applicants who may be victims of domestic violence, dating violence, sexual assault or stalking.
- An emergency transfer plan facilitates a move with continued assistance, by awarding health and safety preferences to qualifying participants threatened with imminent harm.
- The PHA will not take any adverse action against a resident/participant or applicant solely on the basis of her or his being a victim of such criminal activity, including threats of such activity. “Adverse action” in this context includes denial or termination of housing assistance.
- The PHA will not subject a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard for lease compliance than other residents.

PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations including PHA Plan Elements that Have Changed

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ☒ Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning January 1, 2023 in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
 10. In accordance with 24 CFR § 5.105(a)(2), HUD's Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identity, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
 11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
 12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
 13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
 14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
 15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
 16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
 17. The PHA will keep records in accordance with 2 CFR 200.333 and facilitate an effective audit to determine compliance with program requirements.
 18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
 19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
 20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
 21. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
 22. The PHA certifies that it is in compliance with applicable Federal statutory and regulatory requirements, including the Declaration of Trust(s).
